5 MATTERS RAISED BY LOCAL RESIDENTS

The Parish Meeting could discuss all parish affairs and pass resolutions as appropriate. The Parish Council would be required to consider such resolutions at its next meeting, but not necessarily to approve them [(S.9(1) Local Government Act 1972)].

Local residents who were registered electors had been encouraged to participate throughout the meeting but were now given the opportunity to raise specific matters of concern.

- Speeding traffic. A resident asserted that some vehicles were travelling at very high speeds.
- Rope Lane – speeding traffic.
- It was suggested that a PCSO should carry out a speed watch.
- Query about the road from which there would be access onto a development of 65 houses.
- In response to a query about the installation of Parish boundary signs, the meeting was informed that the Parish Council had purchased a number of parish boundary signs for installation at each entrance to the parish, but it was understood that these had been lost by Cheshire East Council,

No other matters were raised, and the Chairman declared the meeting closed.

The meeting commenced at 7.00 pm and concluded at 7.20 pm
