

INFORMATION AND DATA PROTECTION POLICY

- Confidential information about other organisations because of commercial sensitivity.
- Personal data concerning its current, past and potential employees, Councillors, and volunteers.

9 MAKING INFORMATION AVAILABLE

The Council's Publication Scheme is a means by which the Council makes a significant amount of information available routinely, with waiting for some to request it specifically. The scheme is intended to encourage local people to take an interest in the work of the Council and its role within the community.

In accordance with the provisions of the Freedom of Information Act 2000, this Scheme specifies the classes of information which the Council publishes or intends to publish. It is supplemented with an Information Guide which will give greater detail of what the Council will make available and hopefully make it easier for people to access it.

All formal meetings of Council and its committees are subject to statutory notice being given on notice boards, the Website and sent to the local media. The Council publishes an annual calendar in May each year. All formal meetings are open to the public and press and reports to those meetings and relevant background papers are available for the public to see. The Council welcomes public participation and has a public participation session on each Council and committee meeting. Details can be seen in the Council's Standing Orders, which are available on its website.

Occasionally, the Council or committees may need to consider matters in private. Examples of this are matters involving personal details of staff, or a particular member of the public, or where details of commercial/contractual sensitivity are to be discussed. This will only occur after a formal resolution has been passed to exclude the press and public and the reasons for the decision are stated. Minutes from all formal meetings, including the confidential parts, are public documents.

The Openness of Local Government Bodies Regulations 2014 requires written records to be made of certain decisions taken by officers under delegated powers. These are not routine operational and administrative decisions such as giving instructions to the workforce or paying an invoice approved by Council but would include urgent action taken by the Clerk after consultation with the Chairman.

The 2014 Regulations also amend the Public Bodies (Admission to Meetings) Act 1960 to allow the public or press to film, photograph or make an audio recording of council and committee meetings normally open to the public. The Council will, where possible, facilitate such recording unless it is being disruptive. It will also take steps to ensure that children, the vulnerable and members of the public who object to being filmed are protected without undermining the broader purpose of the meeting.

The Council will be pleased to try to make special arrangements on request for persons who do not have English as their first language or those with hearing or sight difficulties.

10 DISCLOSURE INFORMATION

The Council will, as necessary, undertake checks on staff and Members with the the Disclosure and Barring Service (DBS) and will comply with its Code of Conduct relating to the secure storage, handling, use, retention and disposal of Disclosures and Disclosure Information. It will include an appropriate operating procedure in its integrated quality management system.

11 DATA TRANSPARENCY

Under the Code of Recommended Practice for Local Authorities, whose gross income and expenditure is under £25,000, the Council must provide certain specified information on its website. This Code sets out the key principles for local authorities in creating greater transparency through the publication of public data and is intended to help Councils them meet the obligations of the legislative framework concerning information. Notwithstanding that this Council is not required to comply with the

Data Transparency Code, as its overall turnover is in excess of £25,000, it will, nevertheless, provide the following information on the Council's website.
